### **B.Tech in EEE** Annasaheb dange college of engineering and technology,Ashta

// May 2018- April 2022, Ashta, Maharashtra

## PROJECT (C-DAC)

### “Digital Agriculture Procurement Market”

Digital APMC is a Agricultural Procurement Management Software digitalizing the agricultural procurement by creating a common All India online portal for the farmers and vendors, allowing a farmer to sell his produce as well as vendors to buy from anywhere in India by conducting E-Auctions which guarantees fair prices to the farmers, thus avoiding the middle-men and providing a flexible market.
